## **Mueller Associates Expresses Condolences and Support Following Tragic Collapse of Francis Scott Key Bridge in Baltimore**

Baltimore, MD—March 27, 2024

Mueller Associates, a Greater Baltimore-based consulting engineering firm with nearly 60 years of service to the community, expresses its deepest condolences and heartfelt sympathy to all those affected by the tragic collapse of the Francis Scott Key Bridge in Baltimore.

“The entire Mueller staff is deeply saddened by this devastating incident,” says President and CEO Todd Garing, PE, LEED AP BD+C. “Our hearts go out to all those impacted by the collapse, and we extend our sincerest gratitude to the courageous first responders who tirelessly engaged in search, rescue, and ongoing recovery efforts.”

As a firm with deep ties to Baltimore and as members of the architecture, engineering, and construction industry, Mueller’s staff is particularly saddened by the loss of the brave members of the construction team who were working diligently to improve the bridge’s infrastructure, aiming to make our community safer and more resilient. Their dedication and sacrifice will never be forgotten.

This tragedy will undoubtedly have a profound and lasting impact on the families who have lost loved ones, as well as those directly impacted and the surrounding communities, residents, and businesses. Mueller stands in solidarity with all affected by this tragedy.
